### Solicitation of Qualified Home Rehabilitation Contractors

The Ottawa County Community Action Agency is seeking interest from home rehabilitation contractors interested in working on projects funded through the agency's Homeowner Rehabilitation program. Ottawa County Community Action Agency has received grant funds through the Michigan State Housing Development Authority totalling \$300,000 for 2011-2012. Contractors are needed to perform a variety of rehab work, including general carpentry, roofing, plumbing, electrical, and mechanical. The agency maintains a list of participating contractors who have been determined to be qualified to perform work within the requirements and regulations of the agency's agreement with MSHDA and in compliance with federal regulations. Minimum contractor qualifications include: must hold a valid contractor's license, have in force insurance coverage (not less than \$1,000,000 liability), will secure a building permit for all applicable work, and has appropriate lead based paint certification (RRP, as applicable). Qualified contractor firms interested in being approved for work through this program should complete a Private Contractor Profile, available at [www.miottawa.org/caa](http://www.miottawa.org/caa), or by calling 616-393-5617. Homeowners are responsible for making the final selection of the contractor firm from among participating firms. Contractors will be selected for participation in this program regardless of race, color, religion, familial status, age, national origin, sex, or disability. *Equal Housing Opportunity/Equal Opportunity Employer*
